ONLINE CITIZEN COMPLIMENT FORM INITIATED

Public Announcement

Casper, Wyoming (September 25, 2017) – The Casper Police Department is pleased to announce it now offers an online tool for citizens to submit a compliment for a member of the Casper Police Department. The public is encouraged to use this form to recognize outstanding performance by a Department member.

The website address is: <https://casperpolice.org/citizen-compliment-form/>.

Interim Chief Steve Schulz stated, “With the recent release of the online citizen complaint form, I felt it equally important to create a process for officers and Department members to receive positive comments and feedback. We have tremendous men and women out on our streets every hour of every day making sure our community is as safe as possible. The Department’s members work tirelessly and professionally to serve our great Casper community, and it’s important that we acknowledge and reward exceptional performance.”

The Department’s leadership remains open and receptive to public comment and input on ways to make the Department even better. We encourage our citizens to use both the Citizen Complainant and Citizen Compliment online tools to provide us with feedback on our performance.
